

Toshiba e-Studio 45 Copier-Printer-Fax-Scanner

Highly Recommended

One of the best print drivers tested at this level of the market.
 More finishing / document building capabilities than most competing drivers.
 Easy to use touch screen. Good network management system.
 Flexible network scanning and send-to-email capabilities.
 Good Internet Fax option. Above average finishing capabilities with no slow
 down when hole punching or stapling.
 Five next job copy memories and job build.
